

CURIO

A journey designing for Museums

Presenter:

Natasha Yiu Lok Man

Question:

**Have you ever felt bored or lost
in a museum?**

PROBLEM

MUSEUM VISITORS:

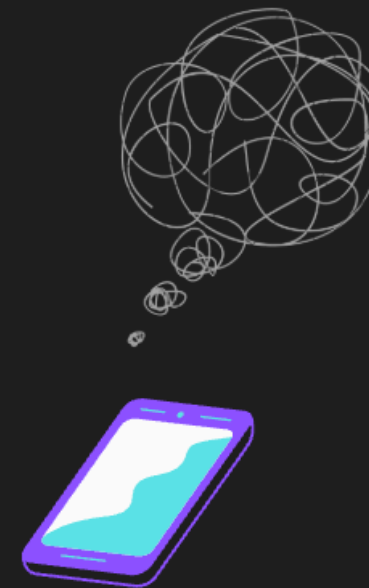

navigation

lack of tailored
experience

limited interaction
options

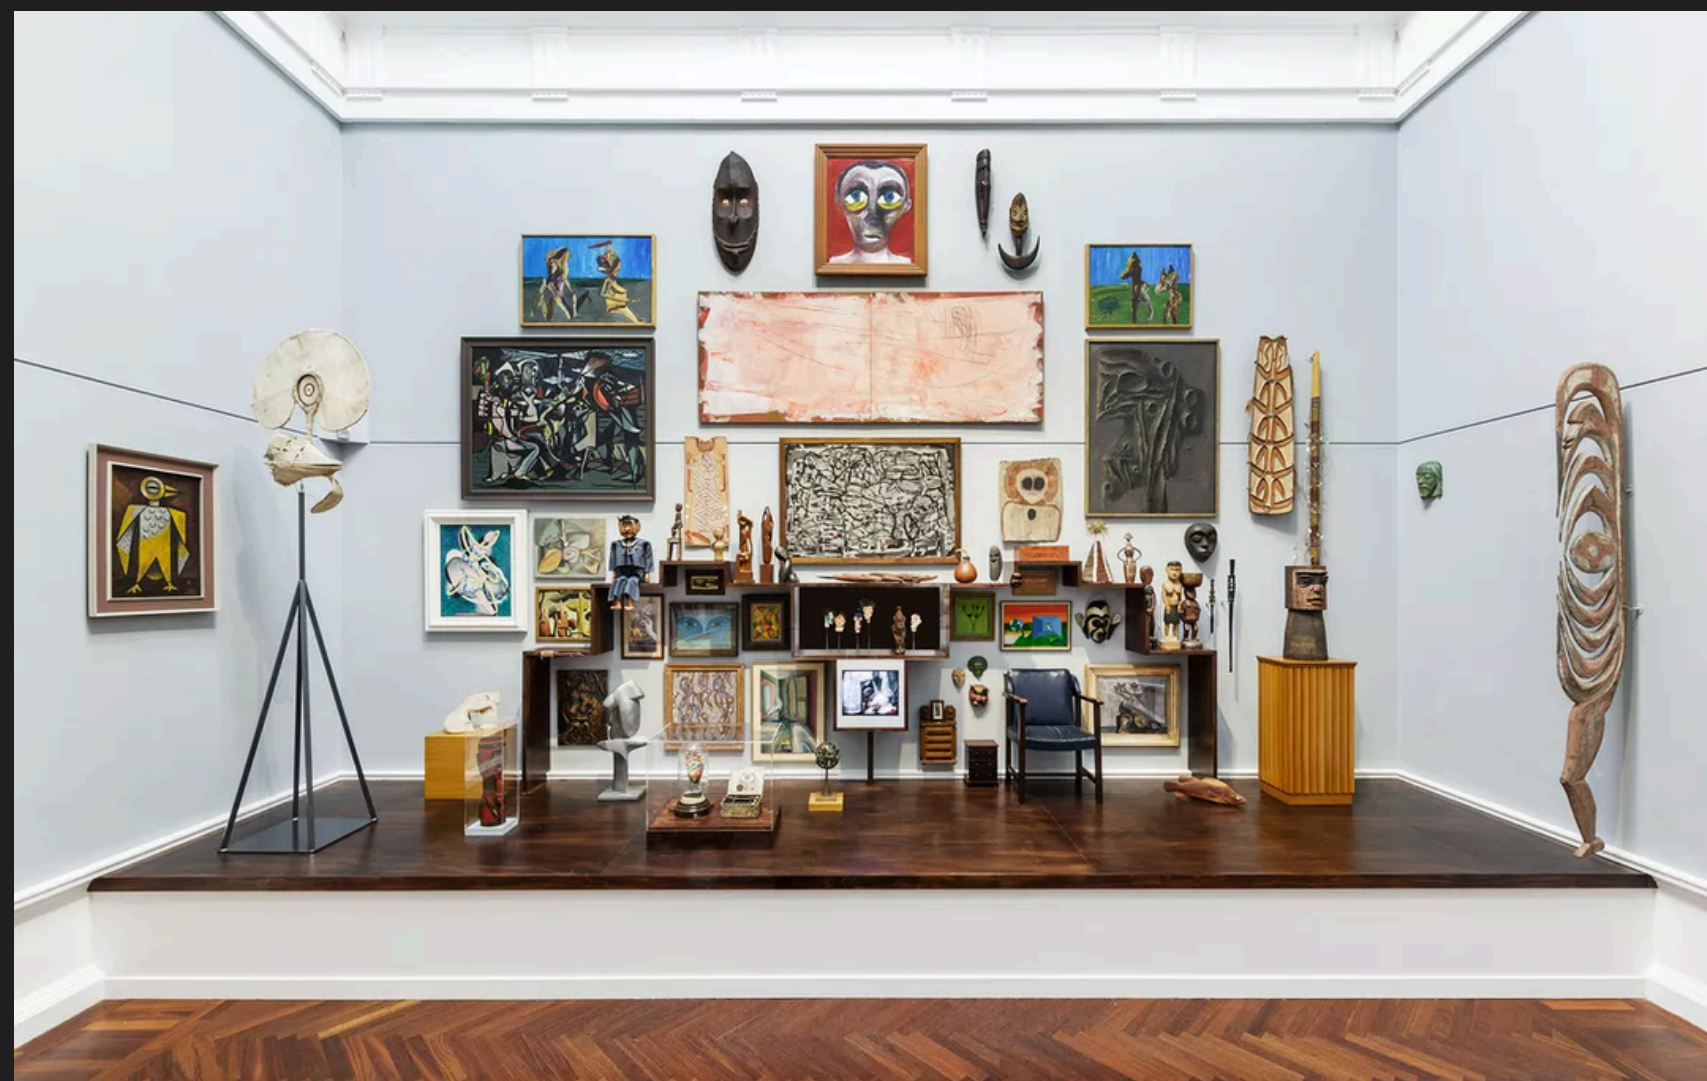

not all experience
museums equally

*60,000+ visually impaired & 11,000+
hearing impaired individuals

P R O B L E M

MUSEUM PROFESSIONALS

lack of systematic
data organisation

no audience insights

limited content
management

Content Management

Operational Insights

CURIO

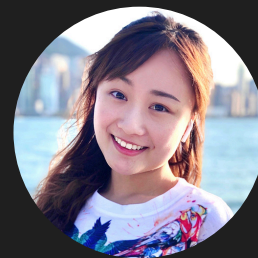

Museums should be more than places we visit. They should be places we live, explore, and connect with—on our terms.

The Future of Cultural Experiences The Next Generation Museums

CURIO *THANK YOU!*
